

### About Us

At TeraCorp Enterprises, Inc. we pride ourselves on being rated A+ for quality customer service.

With a knowledgeable and dedicated staff, we work hard to ensure that each and every customer has a unique and unprecedented experience when working with us.

We are constantly improving our products to ensure that we stay on top of the same cutting edge technologies as the fortune 500 companies but with the affordability of the individual small business owner in mind.

Designing world-class software at affordable prices is what we do best.

We invite you to try our services and see for yourself!

### Mission Statement

To develop world class software for business users as well as personal users and to provide them with an exceptional and personalized customer service experience.

## TeraCash

With TeraCash™ AVX, you'll have all the tools you need to help your company run a successful and profitable check cashing business!

With quick, easy to use screens, multi-lingual text, (English and Spanish) an array of administration tools as well as Biometric Fingerprint Security backed by a highly scalable database engine, you can rest assured that you will be using these tools for years to come!

Included with TeraCash is our check fraud protection which helps you keep track of bad check writers by using a highly sophisticated system which determines the risk involved -out of a possible 100 - of cashing each check received.

For an added level of protection, ask us about our CheckGuard Service!

By subscribing to this service you will have access to our network of known check cashers, and will be able to determine with an even greater level of accuracy the validity of each check. CheckGuard provides a full range of security and protection measures including fraudulent check cashers and known phony check writers!

Try a fully functional evaluation of TeraCash™ AVX with one free month of CheckGuard now! If you would like us to send you a FREE CD, call us at: **407-574-4309** and be sure to mention your promo code **WR54G** or, you can log on to our website at <http://www.teracorpinc.com> and download your FREE DEMO today!
